

21st October 2021

Dear Parents and Carers,

Year 3 Reading Project

Reading is one of the areas we are focussing on in our School Development Plan. To support this, we are rolling out the Year 3 reading project for the fourth year, having purchased new books for Year 3.

Children will be working on a particular book in school and these books will be sent home with them to read with their families. Please can you support your child by encouraging them to read their book at home with you – 3 or 4 times per week would be perfect. Books will then be returned to school and swapped for another.

Research has found that reading at home with parents can have the most impact on a child's reading ability and enjoyment; fostering a lifetime of enjoying reading.

Our first books to share is Charlie and the Chocolate Factory to complete our delve into Roald Dahl. Please enjoy this book over half term. This will need to be returned to the class teacher on by Friday 12th November 2021.

Thank you for your support with this and happy reading!

Yours sincerely,

Sian Rapsey

Literacy Coordinator
