Dear Families,

Thank you for all your support recently - especially to the huge number of parents and carers who wrote in to support us with the difficult decisions we continue to have to make, to ensure that the Academy can continue to offer your children the best possible education and experiences, whilst managing very challenging circumstances. It was a massive boost and I will be sharing many of your words with staff and governors over the coming weeks and months to help us focus on what really matters. Your words embodied the Academy rule of 'Be Kind'. Despite every challenge we face, these words of encouragement help us to become even more determined to keep children and our families at the centre of all that we do.

Over the page you will see an introduction from the new House Captains. I am really looking forward to our new House Forum meetings that will bring children together to discuss hot topics about their education and how we can improve it. I cannot wait for the first one.

Take care and look after each other.

Brian Walton

Sports' Champions

Brookside is very proud to announce the Sports' Champions for this year. After a lot of competition, these fantastic individuals have been selected to represent the Academy. They will be working closely with Mr Ball and Mr Perry to support sport across the school. They even have their first meeting this Friday; we can't wait to see what they will do.

Thoughts from your House Captains

The House Captains and Vice Captains have been working hard with Mr Walton to improve our house system and create a NEW House Forum which will help children to explore important issues at Brookside and have a strong voice in making changes.

Below we have some thoughts from the current Houses about the year ahead.

Stourhead

Hello, we are this generation of Stourhead captains. Our team is Ethan, Oscar, Phoebe and Callum, and this year we hope to lead Stourhead to Victory in the House Cup.

What we hope to achieve this year?

We want to make Brookside and Stourhead the best we can be. Us, as a group, want to make activities and clubs open to everyone at our Academy – we want to look at how fair things are for everyone.

House meetings

In house meetings we leave ideas open to others. We will happily answer any questions that occur and take these to Mr Walton so that we can feedback to our House what he has said or do about them. We think of house meetings as a time to share our thoughts, ideas, motivation and celebrate all our successes.

We are very grateful to all of those who voted for us but we would like to take this opportunity to congratulate everyone who took part in the election for their amazing speeches.

We believe that with hard work and ambition we can raise up the House Cup in the name of Stourhead in July 2022.

Lytes Cary

We are the Lytes Cary Captains: Felix, Rory, Alfie and Lola. We are all very proud to have been chosen to represent our House. We believe strongly that everyone is equal at Brookside and we want to use our time as leaders of our House to represent the views of everyone who comes to our Academy.

We believe in Friendship and helping others when they need us most. Our mission, of course, is to win the House Cup at the end of the year – but we also want to make sure that we do this fairly and by helping others. Winning would be great but working hard this year will also be something we can all look back on with pride knowing that Lytes Cary really are the best.

Barrington

Our names are Luke, Sophie, Danielle and Daisy. We are the new House Captains for Barrington. We all want to do our very best in this role and know that we are here to represent our House in all that we do each and every day. We will always do our best to 'Be Kind, Be Safe and Be Responsible', but we also know that we are here to make sure that Barrington comes together as a House after so many months apart.

We all have lots of ideas about what we can improve across our Academy this year. We want to make sure ALL parts of Brookside come together from the youngest children to the oldest and we really want to make sure that EVERYONE has a voice through Barrington and we will do our very best to make sure we listen to you. We all love Brookside but we also know that we can make it a better place.

Montecute

We are all proud to be representing Montecute – our House since we have been at Brookside. We look forward to listening to others and trying to make Brookside an even better school than it is.

We have lots of ideas about how we can work together, with our House and the other Houses and we are looking forward to sharing these ideas. For example, how to make our school even more environmentally friendly – from recycling more to creating a vegetable garden. We also want to have a say in our learning and take part in lessons we love.

Of course we want to win the House cup but we know this is going to be a very tough challenge.

Please feel free to come to us and share any ideas you may have.

PARKING REMINDER

We would like to remind you that anyone stopping on the yellow zig-zag lines and single yellow line, outside of the Academy, during the restricted hours of 8.00-10.00am and 2.00-4.00pm, is liable to a Penalty Charge Notice issued by the local council.

Parents are parking on the yellow zig-zag lines during the restricted hours,
obstructing traffic and pedestrians. This is extremely dangerous and could put a
child's life at risk.

Please allow enough time to ensure that you are parked safely.

Thank you for your help with this matter.

We use email and text as our main means of communicating with parents and carers. If you have not provided us with an up-to-date email address or mobile phone number, please do so. You may be missing out on important information.

Thank you to everyone who has checked/updated their school children's Data Collection and Parental Consents on the SIMS Parent App. Please can we ask that all parents complete this by the end of November. Thank you!

SIMS Parent App

We have a convenient way for you to **access, review and request changes** to the data held on you and your children, as well as see key term dates and other information. You are able to access our new SIMS Parent app and website at your own convenience via smartphone, tablet or PC – anytime, anywhere.

What will you find in SIMS Parent:

- School term, inset dates and contact details available at the click of a button.
- Access to update your contact details, so we always have the most up-to-date information in case of emergency.
- Access to update Parental Consents for your child.
- Your child's attendance data.
- Your child's end of year report will be available here at the end of the Summer term 2022.

If you have more than one child at school, you'll have access to this information for all your children, from the same app. (Please note that this is not applicable to our Nursery children as their records are held on a separate system; please contact the Academy Office if you would like to make changes to the personal information we hold for Nursery children.)

Getting started with SIMS Parent

We have sent all parents, who have parental responsibility, an activation email to their main email address. Simply click on the link from your tablet, PC or smartphone to activate your account (the registration process changed in September—see the latest guide on how to register below). If your email address has recently changed, please let us know by contacting the Academy Office.

Please contact the Academy Office if you have any difficulty activating SIMS Parent.

Children who attend a Somerset County Council school, whose parents or carers receive certain benefits may be entitled to free school meals. Only the benefits listed here qualify you for free school meals for your children. These are the benefits:

- Universal Credit with an annual household income of less than £7,400 after tax
- Income Support (IS)
- Employment and Support Allowance (Income related) not Contribution related

- Guaranteed Element of State Pension Credit.
- Support under Part 6 of the Immigration and Asylum Act 1999
- Child Tax Credit with an annual taxable income (as assessed by HMRC) of less than £16,190, as long as the family is not also in receipt of Working Tax Credit.

If you have recently become unemployed, but are still receiving Working Tax Credits, you may be entitled to free school meals. Please phone the Children and Young People's Team on 0300 123 2224 for advice. Children must be in school all day and they will be provided with a meal at lunchtime which is paid for by the school.

It is the responsibility of the parents or carers to register their entitlement and request free school meals for their children.

Absence from School

Attendance at school is vital to your child's learning and development.

Children's progress will be affected if they are absent.

We have a statutory obligation to investigate any child's attendance that falls **below 90%** or **below the 10 session absence threshold** (10 or more half day absences within a 12-week period). Evidence of medical appoint-

ments, e.g. Doctor's/hospital/Dentist appointment cards/letters, etc., is required.

Please inform the school beforehand if your child has to attend an appointment.

We are not able to authorise holidays in term time..

Children who arrive or leave school during the day **<u>must</u>** be signed in or out at the Academy office.

In the event of serious of persistent breaches of these expectations we may:

- Send parents a legally approved warning letter

Talking to your children about Online Safety

Many parents and carers worry about their children staying safe when using technology. Research shows that one of the best ways to keep them safe is to talk to children about the technology they use, when they are using it. But knowing how to talk to children about technology can be challenging.

This saferinternet.org.uk blog sets out five tips for talking to children of all ages about their technology use. These are:

Play games together
 Read together
 Explore the online world together
 Watch shows and films online together
 Laugh together
 Read the full details of these tips at:
