**Music Intention Statement**

At Brookside Academy, our intention is for children to gain an understanding of Music, through listening, singing, playing and composing. We aim to cultivate a sense of curiosity towards all genres of music from across the world; providing exposure to a variety of artists, styles, eras, cultures and traditions. Children will be encouraged to explore music and develop an appreciation for how music can represent different feelings, emotions and narratives to each individual. We encourage children to participate in a variety of musical experiences through which we aim to build up the confidence and creativity of all children.
