3rd March 2022

Dear Families,

**SPRING VIRTUAL PARENTS' MEETINGS: 30th and 31st March 2022**

At this time of year, I would usually be inviting you to our Spring Parents' Evenings. However, through Public Health advice, and discussing this with other schools, we still feel that the time is not right to bring back large gatherings to the Academy. Therefore, I would like invite you to book a virtual video call meeting with your child's Class Teacher. These meetings will take place on 30th and 31st March 2022. The teachers are looking forward to discussing your child's progress with you.

Please book your virtual appointment(s) via the Parents' Evening booking system on our website:

https://brookside.parentseveningsystem.co.uk

A short guide on how to add appointments is available on the Parents' Evening booking page.

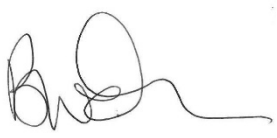
The booking system, goes live at 6.00pm on Friday 4th March 2022. The booking system closes at midnight on Tuesday 29th March 2022.

If you wish to make an appointment after the booking system has closed or if you experience any difficulty with this system, please contact the Academy Office who will be happy to book appointments on your behalf.

Teachers are looking forward to meeting with you.

Please remember that if you have an urgent enquiry and would like to talk to your child's class teacher you can always email the Academy office and someone will get back to you as soon as possible.

Yours sincerely



Brian Walton
