

Dear Families,

I hope you are all well and ready for the Christmas Holiday. The lights are on outside and that is the sign that children have been practicing for the many performances which start this week. I never really understand how the teachers do it. Choosing the right play, casting it, learning it, editing it and polishing it ready for the BIG performance... It is a monumental task and they do it all within a two-week period. Incredible.

I want to draw your attention to the joint letter I have written with our Street Neighborhood Watch Association about the issues that inconsiderate parking are having on our community. I have always believed that a school cannot be great in isolation. Great schools start with their community. I understand the challenges and difficulties of parking when the school day starts (I have worked in many schools and been a parent as well). It is an issue in almost every school in the country, as hundreds of people try to get their children to school on time. What is hard to understand is some of the parking decisions people are taking that put children and adults at risk, the abusive comments being made and the inconsiderate actions taken during the school run. In the past, I have been told that it is the schools responsibility to sort out parking. It is not. We cannot tell you how to park, but like children misbehaving outside of school, the impact does come back to us and it does hurt the reputation of our Academy and its community. Please, park responsibly; take five minutes longer on your morning journey and think about the impact that your parking is having on your child's school and our community.

I hope you enjoy the events this week and if I do not get the opportunity, I hope you all have a very merry Christmas Holiday.

Yours sincerely,

Brian Walton

Budding Film Maker

Corey was very proud that he and a few others from his year group and other previous Brookside students made a film at Youth club. He won an award (camera, action) and certificate. Corey's family have the short film on a memory stick and say it's very good.

Congratulations, Corey. We look forward to hearing more about your film making in the future!

Dear Families,

A Joint Response regarding Parking from Brian Walton, Street Neighbourhood Watch and PC Mark Pople

I have had a number of communications with our local Street Neighbourhood Watch Association and Mark Pople, our Local Police Constable, over the past month that have highlighted the many challenges our local community and residents are facing. I want to highlight these and ask that everyone help us resolve these issues.

I have heard and listened to many testimonials from local residents, which highlight what I can only see as utterly inconsiderate behaviour towards our community by a small minority:

1. Parking on street junction corners across drop curbs thereby forcing pedestrians and mobility scooters in to the main road. I have also heard from pregnant mothers, or mothers with prams who have had to walk into the road to get past cars parked like this.
2. Parking when there is another car parked opposite, which creates a smaller gap to drive past. This is a particular issue raised by the 376 Bus in Smithfield Road bus route, which has been stuck because of parking like this. This not only has a knock-on impact locally as it causes more chaos on our roads; it also means that the bus service that many of our community rely on for appointments becomes delayed.
3. Parking part way or even fully across property off road parking – even when drop curbs are clearly visible. Residents have been delayed for appointments and abused when challenging this in the past.
4. Parking on zigzag yellow lines outside our busy academy. We had a recent incident where a family were crossing, they went behind a car parked on the zigzag yellow lines and the car then reversed towards the crossing family. The parent hit the car window to alert the driver they were there and was then verbally abused.
5. A concerned parent witnessed an incident whereby by a child was soaked by a car going too fast and driving through water near the school drop off bay to secure a parking space. The child was walking on the pavement when the driver of the car shot into the bay completely soaking them. The child was inconsolable on their way into school.

You will have noted an increased Police presence recently and though very welcome, it is a shame that they are spending time here and not on other important matters.

Brookside Academy has a great reputation within the education world and our children and community are a key part of why this is true. We have three very easy to remember rules at Brookside – Be Kind, Be Safe and Be Responsible. I believe that if we are to hold our children to account for their actions, then the least we can do is set the example ourselves.

Thank you.

Yours sincerely,

Brian Walton – On behalf of Street Neighbourhood Watch Association and PC Mark Pople

Polite reminder regarding the 'Drop-off' Bay

Our local Police Officer and a PCSO monitored traffic and parking outside the academy last Thursday. They reported that parents and carers were parking in the Drop-Off Bay for extended periods of time (many for much longer than 20 minutes), making it inaccessible to other users.

Please can we ask that this Bay is only used for quick drop-offs and pick-ups from school and nursery and not used as a 'parking' bay for extended periods.

Thank you for your co-operation with this matter.

Breakfast Club Request

Some parents and carers have been trying to drop their children off at Breakfast Club up to 10 minutes before the time they have booked and, in some cases, treating our staff disrespectfully when they are just doing their job. We cannot admit children before the time booked due to staffing and children's safety. Please can we request that children arrive at Breakfast Club 'just in time'. Thank you for your understanding.

If your child is ill, please notify us before 9.00am via the **Studybugs** app, which is available to download from: **studybugs.com**.

Please inform the school beforehand if your child has to attend an appointment.

We are not able to authorise holidays in term time..

Children who arrive or leave school during the day **must** be signed in or out at the Academy office.

In the event of serious or persistent breaches of these expectations we may:

- Send parents a legally approved warning letter

PhoneSmart

The PhoneSmart Licence is a fun, interactive course for children who have received their first phone, to help them learn 'how to stay safe and be kind online, and to encourage them to use their phones for good, not hate.'

Children participate by watching episodes, interacting with characters and answering quiz questions. Completing each episode earns a sticker. Collecting all 5 stickers finishes the course and earns their PhoneSmart Licence. Gaining their licence also gives them the chance to win a PS5!

The licence is organised by EE, with Internet Matters and other leading organisations, but is open to users of any network. Find full details, to see if the PhoneSmart licence is right for your family at: <https://eephonesmart.co.uk>
