

10th February 2023

Dear Parents / Carers

As we move ever closer towards spring, we thought we would update you on nursery developments over the coming weeks.

We say farewell to Hope Thorne who leaves us this term and we welcome back two familiar faces. Eloise Jewell returns from maternity leave after half term closely followed in March by Jasmine Blair. Both are experienced key workers and eager to return to Brookside.

In other staffing news, we welcome Ana Springbett to the nursery keyworker and assistant team alongside Jennallee Stinchcombe and Jenny Scanlon all are excited to be joining Brookside Nursery.

To enhance our lunchtime experiences we have appointed Tracy Burt, Karen Curtis, Sally Perry and Sam Francis. They look forward to supporting the children with developing their independence, confidence and social skills both in the Hive and during outdoor play and learning time.

With the return of Eloise and Jasmine to the Toddler team there will need to be some possible changes to your child's key worker. Please try not to be anxious. The Toddler team plan, assess and review all as **one** team and all adults work confidently across the Ladybirds group. We will let you know in a separate email if there are any changes for your family.

With the additions to our Nursery team, we look forward to a successful spring and busy summer term.

As always, please contact office@brooksideacademy.co.uk if you have any further questions or queries

Many thanks for your continued support

Brookside Nursery Team
