Places may be booked, on a preference basis, via the Parents Evening system on our website, from 6.00pm today (13th March 2023):

<https://www.brooksideacademy.co.uk/parents-evening/>

The booking system will close at 11.00am on Friday 26th March 2023.

We will use children's preferences to allocate places, assigning as many children as possible to their first choice then, where that is not possible due to number limits, by giving them their next highest preference. To be as fair as possible, places will be allocated automatically by the booking system and not by teachers. Parents will receive an email confirming their child's place.

Following the allocation process, if spaces are still available in certain clubs, we will email parents to give children the opportunity to sign up for further clubs.

Yours sincerely,

Mrs Rapsey
