Dear Parents/Carers,

Spring Term Clubs 2024

We would like to continue to offer the children a range of free after-school clubs which will be run by our very own class teachers. The aim of these free clubs is to enhance the children's journey at Brookside, providing fun ways for them to learn new skills and gain fresh experiences.

Places may be booked, on a preference basis, via the Parents Evening system on our website, from 6.00pm on 9th January 2024.

<https://www.brooksideacademy.co.uk/parents-evening/>

The booking system will close at 6pm on Friday 19th January.

We will use children's preferences to allocate places, assigning as many children as possible to their first choice then, where that is not possible due to number limits, by giving them their next highest preference. To be as fair as possible, places will be allocated automatically by the booking system and not by teachers. Parents will receive an email confirming their child's place.

Please do not sign up to a paid sports club and a free club if they are on the same day of the week, this stops someone else making use of either space.

Yours sincerely,

Mrs Ashford
