

13th February 2026

Dear Parents and Carers

Sharing Open Afternoons

We are delighted to invite you to attend our forthcoming Sharing Open Afternoons, as follows:

- Years 1 & 2 on **Friday, 6th March** from 14:45 to 15:15
- Years 3, 4, 5 and 6 on **Friday, 13th March** from 14:45 to 15:15

The Sharing Open Afternoons will be an opportunity for you to share work and the school experience with your child(ren) and their teachers.

The afternoons will also be an opportunity for the children to talk to you about their work, classroom environment, routines and their school day.

Parents and carers may also visit siblings whose classes are also sharing on the same open afternoon. If you have more than one child to visit during the afternoon, please feel free to move between classes.

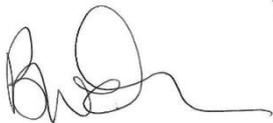

If you wish, children who are sharing on the same afternoon may be taken home from 15:00 onwards, by signing them out with the Class Teacher.

We would like each child to have one adult to share their work with. The adult may be a parent, carer, grandparent or other adult member of the family. It would be lovely for each family to have one adult to share with.

Please book your place via the School Shop on the Arbor Parent App.

We look forward to sharing a fantastic afternoon with you.

Yours sincerely,

Brian Walton
